Subject: Matrix/Global Crossing Transaction

Per your request, Matrix confirms that the proposed transaction contemplates that the only assets that Matrix will acquire from Global Crossing in Tennessee are Global Crossing's Small Business Group customer base. I hope this provides the clarification that you need, but please let me know if we can provide further information.

Subject: TRA Docket No. 05-00094

Judith:

With respect to TRA Docket No. 05-00094, we discussed by telephone the issue of whether Global Crossing was only transferring customers to Matrix. We also discussed that you would submit either an email or a letter for the docket file indicating that only customers were being transferred between the companies. I reviewed the docket file today and did not find additional correspondence. If you would, please submit a letter to the docket file describing the transaction or respond to this email indicating the nature of the transaction and I will place it in the docket file.

Thanks,
Jerry Kettles
